

MATERIAL4X® FASTFIT®

MATERIAL4X® HAND PROTECTION

The FastFit® family of work gloves expands to include Material4X® durability. Our Material4X® synthetic leather redefines durability with higher abrasion resistance and greater tear resistance than standard synthetic leather work gloves. Material4X® is completely washable, making this glove as practical as it is popular. The stretch-elastic cuff provides a snug fit to the wrist with easy on and off flexibility between tasks.

FEATURES

- 1 Material4X synthetic leather protects your palm with extreme abrasion resistance.
- 2 Form-fitting TrekDry® material keeps working hands cool and comfortable.
- 3 Stretch-elastic cuff creates a secure fit.
- 4 Reinforced thumb and index finger support added durability.
- 5 Perforated back-of-hand allows for added ventilation.

MACHINE
WASHABLE
